## Jamie Booksmart

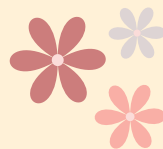

18TPY

### Intelligent, Rule Following, Wannabe Rebel

Jamie is the cute quirky rule following best friend who is a bit too type A for her own good. So when her favorite club at school is about to be shut down due to lack of funding and lack of interest by her peers, she decides to throw a raging party to try and raise the funds. The only problem is she has never been to a party let alone thrown one. Can she and the two other members of the club convince everyone to come to her party in time to save the club? Maybe she will even be able to get her peers interested in the club along the way.

**Think Leslie Knope meets Joey King in Kissing Booth.**

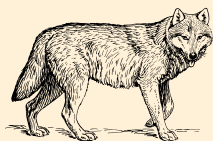

## Claire Summer (19-20)

### Cute, Bighearted, Sensitive

Claire is the classic girl next door who cares feels deeply and cares even more deeply for those important to her has always struggled to tell her best friend Conner how she really feels. When they both end up at different colleges their relationship becomes strained as feelings begin to show through. Will Claire finally be able to express how she feels to Conner or will she have to watch him move on with someone new again?

**Think a young Rachel McAdams meets Gina Rodriguez.**

## Jennifer Clark 20-24

### Angsty, Cold, Emotional

Jennifer gets a job at a crappy diner in order to save enough money to escape her home life. Her hard exterior begins to soften as she gets to know the other staff and local diners. When she discovers that her savings were used to bail her father out of jail again, she must decide if she will finally accept help from the people she has met at work or continue to be a lone wolf and be stuck in this town forever.

**Think Jennifer Morison in Once Upon a Time.**
